RE: **Safety Professional Award**

Dear Member,

We are pleased to announce it is time for your company to apply for the **Safety Professional Award**. This SCCA Award recognizes a Safety Professional who has gone above and beyond "normal" daily duties and is a positive influencer in his or her company's safety culture. The Safety Professional shall be in good standing with all the professional organization affiliations, have complied with all safety requirements and their sole duty is safety.

To apply please follow the requirements below:

1. Each applicant will submit a Nomination Letter on their **company letterhead**. The letter should include a **detailed explanation of the nomination** and **must be signed by the owner or an officer** of the company. The detailed explanation may consider: What did they do to influence within the trade? Did they develop a training program? What did they do to better their profession? What influence did they have on others?
2. **Nomination Letter must be received by the SCCA by February 9, 2024.** Letters received after this date will not be considered for the 2023 awards. You may submit this via mail to: SCCA, 600 City Parkway West, Ste. 165, Orange, CA 92868; email to [adisanto@sccaweb.org](mailto:adisanto@sccaweb.org). **Please confirm that we have received your nomination.**
3. All nomination letters will be reviewed by our Safety Committee at the February 15, 2024, Meeting. The Safety Committee will vote and choose one recipient for the award. You will be notified of your nomination's status by email prior to the Safety Awards Banquet, to be held on March 13, 2024.

Please, only one submission per contractor member for the **Safety Professional Award**. Your participation in this program will make it a great success for our association, its officers, directors, and our membership.

Thank you very much,

Jeff Klante, Chair  
Larry Pim, Co-Chair
